Subject: [REDACTED] Quality Inspection - General Updates Dear Jana, Adrian,

Congratulations!!!

Quality Dept has feed back that last batch of units from Cirexx Quality is perfect :-)

We do not know the details of what has been changed in your process(es). However, please keep up the good work / recipe. Please ensure your future lots are to the same quality standing. Any more insights, please talk with our SQE Mr. Alex [REDACTED]

Thank you, have a great weekend everyone!
Pam
